Gati Shakti Vishwavidyalaya (GSV) – India's first and only university in the Transportation and Logistics sector, offers logistics- and transportation-focused applied education, executive training, skilling and research through experiential learning, multidisciplinary research, and academia-industry collaboration to build a quality talent pool.

Working closely with industry, GSV has defined its strategic vision to dynamically contribute to a highly challenging and inspiring role across three key dimensions: Technology and Infrastructure, Management and Services, and Policy and Regulatory Framework, with a key focus on multimodal transportation and logistics.

GATI SHAKTI VISHWAVIDYALAYA
Lalbag, Vadodara – 390 004, Gujarat, India

BE THE TRANSFORMATION
IN INDIA'S TRANSPORT AND LOGISTICS ECOSYSTEM

Academic Programs

For Regular Students:

- B.Tech. in Civil Engineering (Specialization: Rail Engineering)
- B.Tech. in Electronics and Communication Engineering (Specialization: Rail Engineering)
- B.Tech. in Mechanical Engineering (Specialization: Rail Engineering)
- B.Tech. in Electrical Engineering (Specialization: Rail Engineering)
- B.Tech. in Artificial Intelligence and Data Science (Specialization: Transportation and Logistics)
- B. Tech. in Aviation Engineering
- B. Tech. in Maritime Engineering
- MBA in Logistics and Supply Chain Management
- MBA in Ports and Shipping Logistics (Jointly with Indian Maritime University)
- PhD (Engineering/Management) with a focus on Transportation and Logistics

For Working Professionals:

- M.Tech. in Intelligent Transport Systems
- M.Tech. in Railway Engineering
- M. Tech. in Bridge and Tunnel Engineering
- M.Tech in Roads and Highway Engineering
- MBA (Logistics & Supply Chain Management)
- MBA (Metro Rail Management)
- MBA (Multi-modal Transportation)
- MBA (Aviation Operations and Management)
- MBA (Infrastructure Asset Management)
- MBA Digital Maritime
- PhD (Engineering/Management) with a focus on Transportation and Logistics

Centers

- Centre for Executive & Continuing Education
- Centre for Transport Planning & PM Gati Shakti
- Centre for Infrastructure Project Management
- Centre for Transport Safety
- Center for Bridge Health, Testing and Research

Course Highlights:

Core Engineering

Transportation and Logistics

Project Management

Sustainability

Critical Thinking

Uniqueness of GSV

- Unique curriculum for specialized sectors: Railway/Aviation/Maritime/Logistics
- Industry-ready talent pool available for immediate on-site projects
- Faculty from industry and academia
- Mandatory internships for 4-12 weeks every year of study
- Students exposed to state-of-the-art technologies
- 21st-century skills: Innovation, Entrepreneurship, Teamwork & Communication
- Project-based learning at railway & aviation establishments, PSUs and industries

Shri Ashwini Vaishnaw

Hon'ble Minister of Railways, I&B,
Electronics and Information Technology

Chancellor's Message :

In a truly "Industry-Driven" approach, GSV offers a "whiteboard" to the Industry for academic curriculum development. With the active involvement of Industry stakeholders, GSV shall create specialized and talented human resources to accelerate India's entire transportation and logistics sector.

Vice Chancellor's Message :

With academic curriculum combining both rigour and relevance involving significant industry inputs, GSV is working with the "Whole-of-the-sector" approach imbibing true spirit of PM Gati Shakti. In addition to regular education programs, the university shall put significant emphasis on executive training and skilling.

Prof. (Dr.) Manoj Choudhary
