GATI SHAKTI VISHWAVIDYALAYA

Chancellor's Message

Gati Shakti Vishwavidyalaya will act as an engine of growth in the transportation and logistics by providing a highly qualified and talented workforce to usher India into a new age.

Ashwini Vaishnaw

Chancellor, Gati Shakti Vishwavidyalaya and
Minister of Railways, Communication and
Electronics & Information Technology, Govt.
of India

GATI SHAKTI VISHWAVIDYALAYA

Vice Chancellor's Message

Gati Shakti Vishwavidyalaya focuses on the entire transport sector to produce a talented, well trained and focused human resource cadre for handling the complexities of the sector. This will support the ambitious growth and modernization in the field thereby supporting and enabling the PM Gati Shakti National Master Plan.

Prof. Manoj Choudhary
Vice Chancellor, GSV

Gati Shakti Vishwavidyalaya

Gati Shakti Vishwavidyalaya (GSV), a Central University and a pioneer in the domain of transportation education in India, embodies vision of the Hon'ble Prime Minister Shri Narendra Modi Ji. Created in 2022 by an Act of Parliament, GSV's inception goes back to National Rail and Transportation Institute (NRTI), which was established in 2018 as a Deemed to be University under De Novo category.

Being a University of first-of-its-kind focused on transport-related education, multidisciplinary research and training, GSV is specifically established to create a resource pool of best-in-class professionals for the entire transportation sector across technology, economics and management through a variety of programs including regular education, executive and continuing education as well as skilling. As a futuristic initiative of Government of India, GSV believes in shaping graduates and postgraduates who are uniquely qualified to pursue and excel in careers in transportation-related industries and crucially cater to the shifting needs and rising demands of the global economic order.

GSV offers multi-disciplinary programmes based on demand-driven curriculum which is woven around industry priorities in order to meet the industry needs of the transportation sector.

In tune with the globally acclaimed best practices, GSV follows a highly experiential and unique inter-disciplinary pedagogical approach that incorporates the latest technologies such as live classrooms, online programmes and sessions engaged by high quality faculty with global exposure. Students of GSV are uniquely qualified to pursue and excel in careers to match the contemporary demands of the globalized economy.

Gati Shakti Vishwavidyalaya Campus

GSV is, currently, located inside the National Academy of Indian Railways' campus in Vadodara, Gujarat. The 55 Acres campus is a wooden sanctuary enlivened by the calls of peacocks and migratory birds. The campus also houses the Pratap Vilas Palace, a historical monument. The Palace, designed by C.F. Stevens in renaissance style, was built in 1914.

The campus life, in the luxurious sylvan surroundings, promises students the best possible ambience for intellectual and academic pursuits. The campus is equipped with the modern facilities viz. state of the art air-conditioned classrooms, hostel accommodation, Wi-Fi etc.

Academic Programmes

The University, currently, offers the following academic programmes focused on transportation and logistics:

- ▶ **B.Tech (Rail Infrastructure Engineering)**
- ▶ **B.Tech (Rail Systems & Communication Engineering)**
- ▶ **B.Tech (Mechanical & Rail Engineering)**
- ▶ **BBA (Transportation Management)**
- ▶ **B.Sc. (Transportation Technology)**
- ▶ **MBA (Logistics & Supply Chain Management)**
- ▶ **MBA (Transport Economics & Management)**
- ▶ **M.Sc. (Transport Information Systems & Analytics)**
- ▶ **M.Sc. (Railway Systems Engineering & Integration),
a dual degree program with University of Birmingham, UK**

GATI SHAKTI VISHWAVIDYALAYA

Partnerships & Collaborations

GSV has forged academic partnerships with top-ranked global universities offering opportunities for student and faculty exchange, joint research and learning

University of Birmingham, UK

Cornell University, USA

University of California,
Berkeley, USA

Russia University of Transport
(MIIT), Moscow, Russia

Japan Transport and Tourism
Research Institute, Japan

St. Petersburg State Transport
University, Russia

Co-Founder & CEO, Ingenious Faces

Academic Curriculum

FOUNDATION COURSES

- Sociological Contexts and Transportation
- Critical Thinking and Writing
- Essential of Business and Technology
- Design Thinking
- Systems Design
- Fundamentals of Economics
- Environmental Sciences and Sustainability
- Ethics
- Data Analytics and Representation
- Foundations of Leadership
- Dynamics of the Transportation Ecosystem

CORE COURSES

BSc (Transportation Technology)

- Principles of Information Systems
- Transportation Technologies of the 21st Century
- Urban Traffic Management and Control
- Flows in Transportation Network
- Transportation Models and Quantitative Methods
- Linear and Dynamic Programming
- Project Management
- Warehouse Management

BBA (Transportation Management)

- Principles of Accounting and Finance
- Principles of Marketing
- Business Communication
- Supply Chain Planning and Control
- Purchase and Materials Management
- Business Analytics Models
- Fundamentals of Operations Management
- Project Management
- Freight Logistics

GATI SHAKTI VISHWAVIDYALAYA

Students Profiles - B.Sc

ANGURI AISHWARYA

L&T Metro (Jun'22-Aug'22) | Indian Railways (Jul'21-Aug'21)

Highly organised and self-motivated student with Internship experience at Indian Railways, she possesses good knowledge of transportation technology and computer skills, Excel, Python, and basics of MATLAB. Looking for a career opportunity with a reputed technical firm, where she can best utilise her technical knowledge and soft skills to learn, grow and add value to the organisation.

ABHAY KUMAR CHOUDHARY

Railtel (Jun'22-Aug'22) | Startupnews.fyi (May'22-Jul'22) | Taksharya Logistic (Sep'21-Nov'21) | Indian Railways (Jul'21-Aug'21)

Abhay is a data science professional with extensive experience in solving complex architecture and scalability problems in several industries, as well as developing data-intensive applications. proficient in data processing, data mining algorithms, predictive modelling, and scripting languages like Python and R. capable of designing, developing, testing, and deploying a wide range of highly adaptable services to convert functional and business requirements into substantial deliverables.

ADISHWARAN GOPAL

L&T Metro (Jun'22-Aug'22) | Indian Railway (Jul'21-Sept'21)

An innate Critical Thinker and Problem Solver, Adishwaran's love for Railways and Passion for the transportation sector always motivate him to push his limits further ahead. As an avid Railgeek and Transportation enthusiast, he has always observed these sectors through a broader lens. He is a committed team man and possesses good organisational skills. His personality traits were further honed during his internship experiences. He is a polyglot fluent in English, Tamil, Hindi, Marathi, and Gujarati languages.

GATI SHAKTI VISHWAVIDYALAYA

ADITH RAKESH

DFCCIL (Jun'22-Jul'22) | Indian Railways (Jul'21-Aug'21)

A rationalist, who is ambitious and adaptive. Experienced in data analytics (excel), and operational and safety aspects of freight conveyance through various internships and academic programs. His expertise in social media and digital marketing makes him exceptionally good. He is currently the Coordinator of the Media & Technology Club at GSV. Fluent in English, Hindi, and Malayalam, therefore, making him quite versatile. Skilled in Video Editing and Production.

ADITHYA NANDA THULASIDHARAN

CONCOR (Jul'22- Aug'2022) | Indian Railways (Aug'21)

Conscientious, sharp-witted resolute with expertise in data analytics and software skills, seeking opportunities in transportation or technology firms. Experienced and interned at creative firms and prestigious Govt. organizations. Profound in various creative fields. Conversant in English, Hindi and Malayalam.

ADITI AISWARYA

CONCOR(Jun'22-Jul'22) | Indian Railways (Aug'21)

Aditi is an ardent critical thinker who aims to learn and contribute technical skills in the field of logistics and transportation. She has assimilated skills of communication and teamwork to facilitate better outputs for the projects. An adaptive individual, she has always shown her enthusiasm through diversified participation.

ADITYA PANDEY

RITES (June'22 - Aug'22) | Indian Railways (Jul'21-Aug'21)

Aditya is an avid and enthusiastic transportation student. He possesses very sharp analytical, statistical and technical skills that make him a very efficient researcher in the field of technological and scientific research. He has sharp knowledge in Operations research, Electric, and hybrid vehicles, Design and operation of engines and motors, traffic management, roadway, and highway design. Possess programming skills in python, C, R, and MATLAB.

GATI SHAKTI VISHWAVIDYALAYA

AKASH KUSHWAHA

RITES (Jun'22-Jul'22) | Indian Railways (Jul'21)

A highly skilled researcher in the realm of technology and scientific research who has a background in transportation and possesses excellent analytical, statistical, and technical abilities. He has strong programming abilities in Python, MATLAB, and R for data analysis, data visualization, and descriptive statistics; He is also skilled in using a variety of technical and creative tools, including Advanced Microsoft Excel, SQL, AutoCAD, Adobe Illustrator, and Photoshop.

ALOK SINGH

KEC International (Jul'22-Aug'22) | Indian Railways (Jul'22-Aug'22)

A Passionate individual who's prepared for the upcoming opportunities to give a head-start. A self-independent and determined person, always looking for new things to be more efficient. Mainly focuses on leadership qualities and team building that will help transportation entities to develop in a better way.

AMAY RATHORE

DFCCIL (Jun'22-Jul'22) | Indian Railways (Aug'21)

Amay is a goal-driven individual with the quality to work efficiently under pressure within a given time limit. He places a high value on quality and thrives in team environments. He has gained significant industry experience and expertise from his internship at DFCCIL. He's also proficient with various technology tools like Microsoft Office, IBM SPSS, JMP, Anylogic, etc.

AMRITESH KUMAR

RDSO(Jun'22-Jul'22) | Indian Railways (Jul'21)

Amrithesh Kumar is a goal-oriented individual with internship experience in supply chain management of goods. He is interested in the transport sector and is willing to utilize his analytical and technological skills to overcome the challenges in a firm. His distinctiveness from others is the unique approach he takes to a problem.

GATI SHAKTI VISHWAVIDYALAYA

ARITRA CHATTERJEE

RVNL (Jun'22-Jul'22) | Indian Railways (Jul'21-Aug'21)

Aritra is a real Team Leader experienced in directing activities in all types of settings. Talented at developing real-time strategies, setting goals, and completing objectives. Along with being Confident and decisive in his vision to succeed, He is a first-class problem solver with excellent interpersonal skills. He is a Flexible and Hardworking team player who uses critical thinking to his advantage in boosting productivity and performance with conscientious and detail-oriented approaches.

ARYAN PRATAP SINGH

RDSO (Jun'22-Jul'22) | Indian Railways (Jul'21-Aug'21)

Aryan is highly professional and has gained impactful experience by doing an internship at RDSO and Indian railways in the transportation domain. He shows sportsman spirit in all walks of life. He believes in taking initiative and works well in a team. Aryan loves to play in his free time.

ASHUTOSH KUMAR SINGH

AAI (Jul'22-Aug'22) | RVNL(Jun'22-Jul'22) | Indian Railways (Jul'21-Aug'21)

A transportation enthusiast whose focus is on the implication of technological and managerial skills in the domain of surface transportation with an opportunity to learn from global faculty, practitioners, experts, and academicians. An intellect equipped with 21st-century skills and solid grounding and practicality in transportation. Practical working exposure in Rail, PSUs, and private companies.

ATYUSH KUMAR

RITES (Jun'22-Jul'22) | Indian Railways (Aug'21)

Brainstormer, team worker, the initiator. Enthusiastic, eager to contribute to team success through hard work, and attention to detail, with good organizational skills. With an internship in a data analytics and consultancy firm looking for a suitable role in business for analysing the data and taking out the key points from it. As a diploma holder, I do have knowledge of civil engineering technologies and work in the civil engineering lab. I am Fluent in both Hindi and English.

GATI SHAKTI VISHWAVIDYALAYA

AVINASH DHANRAJ GUPTA

NHSRCL (Jun'22-Aug'22) | Indian Railways (Aug'21)

A conscientious person with internship experience in research and analytics, looking for a suitable role in a transportation, technology, energy, or business firm, wishing to use competent data-analysis, operations, technological, and management skills to help the firm with its upcoming challenges. He is fluent in Hindi and English.

AYAN KUMAR

RDSO (Jun'22-Aug'22) | Indian Railways (Jul'21-Aug'21)

I am adequate in providing design and managerial-related solutions using insight gained from the data analytics course. I had also done my internship at a government organization, RDSO on public amenities. I am hoping to use my knowledge regarding technology and data analytics skills in solving the problem of transportation in the firm.

AYUSH KUMAR

DFCCIL (Jul'22-Aug'22) | Indian Railways (Aug'21)

Ayush has an inherent interest in learning. A problem solver at heart and highly ambitious. He is well-versed in the domain of transportation through his summer internship project at Indian Railways and DFCCIL. He is keen to take up new challenges and find creative and approachable solutions to problems. His key strengths are clear thinking and not giving up attitude.

AYUSH SINGH

RDSO (Jun'22-Jul'22) | Indian Railways (Aug'21)

Ayush is an adept and resilient person. He is a goal-oriented individual who is often engaged in creative tasks that make him unique from others. He is skilled in using Excel and Word and is fluent in English and Hindi. Industry experiences from Indian Railways (Lucknow) and RDSO have prepared him to tackle practical problems. Through the knowledge and skills, he has acquired, he aims to build a competitive advantage for his team.

GATI SHAKTI VISHWAVIDYALAYA

B. RAMAKRISHNA KURUP

DFCCIL (Jun'22-Jul'22) | Indian Railways (Jul'21-Aug'21)

A hard-working professional and an ambitious transportation technologist with a good work ethic and adaptability. He has shown his creativity and leadership skills in events like TEDx and the college's annual fest. His commitment to work and good team spirit has helped him in his numerous ventures as the GSV's Music Club Head. His ability to communicate in English, Malayalam, Tamil, and Hindi makes him adaptable and versatile. His Deep knowledge of MS Office suite, MATLAB, Python, Adobe Photoshop and Premier Pro is worth appreciating.

BANOTHU PAVANKALYAN

CONCOR (Jul'22-Aug'22) | Indian Railways (Aug'21)

I'm a meticulous performer with an internship experience in research and analysing data. My professional skills are analysing the data and proposing managerial & design-related solutions for transportation systems. My other professional skills are running java, python programming. I am a very enthusiastic person about learning new skills every following day. Interested to work in the transportation sector and for further note, I'm a team player.

BRAMHEE SARANGI

DMRC (Jul'22-Aug'22) | Indian Railways (Jul'21-Aug'21)

An ambitious student with professional and friendly communication skills. Interested in analysing data and proposing administrative solutions to enhance productivity with impending challenges. She is an excellent Odissi Dancer (holder of the CCRT Scholarship from the Ministry of Culture, GOI) who believes the most essential qualities for a dancer are perseverance and creativity.

DEEP UPADHYAY

RITES (Jun'22-Jul'22) | Indian Railways (Jul'21-Aug'21)

A fresher with great enthusiasm and ability to maintain public relations, having good hands-on python, MATLAB, SQL, spreadsheets, Tableau, powerBi, and Ms office. Interned under RITES LTD. and Indian Railways on data analytics projects.

GATI SHAKTI VISHWAVIDYALAYA

DIBYA CHAKRABORTY

DMRC (Jun'22-Aug'22) | Indian Railways (Jul'21-Aug'21)

A conscientious critical thinker and a naturally creative problem solver. Exhibits strong leadership qualities and can both provide support and take commanding positions. Internships have been completed in areas such as big data and data analytics for real-time information systems for transportation and control office applications and their automation in Indian Railways, as well as transport network systems of last mile connectivity and their functionalities in Delhi Metro.

DUMPALA RAHUL

NHSRCL(Jun'22-Aug'22) | Indian Railways (Jul'21-Aug'21)

Worked for the prestigious MAHSR project under NHSRCL and poured out ideas for Indian Railways to Increase Non – fare Revenues, Rahul takes extreme ownership in what he does and has a curious, enthusiastic mind which always says yes to learning anything worthwhile under the ultimate. He is ambitious in creating, transforming, and designing new things with his ideal techno-managerial skills such as Programming, Data Analysis, Storytelling, Researching, and growth hacking.

GOURAV NAGAR

RailTel (Jun'22- Aug'22) | Unschool (Jul'22- Aug'22) | Indian Railways (Jun'21-Jul'21)

An Undergraduate in Transportation Technology, acquiring the vital and various aspects of knowledge and experience required for a stronghold in the corporate sector. Fast learner, always ready to grasp the analysed knowledge and self-improv. I enjoy working collaboratively but can also run projects independently. I have garnered diverse experience in not only the technology but also the managerial aspects of the organizations. I am also skilled at Microsoft Excel and Python.

HARSH VARDHAN RATHORE

NHSRCL(May'22-Jul'22) | Indian Railways (Aug'21)

Harsh is a motivated, teamwork-oriented, and responsible Data Analyst with significant experience in increasing comprehension of reports and presentations by using Excel and Power BI. He also worked on the aerodynamic design of high-speed trains during his internship by using software like Ansys in CFD analysis. He is creative in finding solutions to problems. He is an expert in providing realistic projections and establishing various viable process strategies to utilize.

GATI SHAKTI VISHWAVIDYALAYA

HARSHITA MEHRA

DFCCIL (Jun'22-Jul'22) | Indian Railways (Aug'21)

A creative professional with a hard-working mindset. Gained experience in event management and displayed good leadership skills via organising major college events like TEDx and annual fest. She is a critical thinker with good communication skills. Her interests range from C++, Python, MATLAB languages and data analysis to design thinking and graphic designing.

ISHIKA KUMARI

RITES(Jun'22-Aug'22) | Indian Railways (Jul'21-Aug'21)

A self-motivated individual who works to consistently grow herself and learn. Her core technical skills include MS Excel, Word, PowerPoint, and Digital Marketing. She also possesses a good foundation in Python and Data Analytics. During her time at GSV, she learned how to work in a team, tackle real-life problems and also develop soft skills to cooperate with the job environment.

JAHNABI SHARMA

SPZ Solutions (Sep'22-present) | Social Parindee (Aug'22-Sep'22) | DFCCIL(Jun'22-Jul'22) | Indian Railways (Sep'21)

A diligent Critical Thinker with a creative mind looking for a suitable role in business, transportation, or technology firms. Besides Internship Experience in Research and Content Writing, through various academic projects, she has displayed an innate ability for proposing innovative solutions for business and design-related solutions for transportation and other related systems.

JAYANT SHEKHAR

APSEZ(Jun'22-Aug'22) | Indian Railways (Jul'21-Aug'21)

Dedicated and result-driven problem solver with internship experience in data analysis and operation optimization. He is passionate about working in the transportation and logistics sector and is looking to use his knowledge and analytical skills to meet the expectations of the firm. His skills are complemented by a strong sense of team commitment, eagerness to learn, and good academic performance.

GATI SHAKTI VISHWAVIDYALAYA

JYOTI PRAKASH MISHRA

DFCCIL(Jul'22) | Indian Railways (Jul'21-Aug'21)

A Tech Lover, ready to dive into the real world. Interested in solving real-life problems with the help of Technology and System Thinking. Interested in the field of Logistics and Supply chain management.

JYOTIKA SHREE

CONCOR(Jun'22-Aug'22) | Indian Railways (Aug'21)

An innately critical problem solver with experience in the research and operations field looking forward to work in research, technical, operational, transportation, and managerial domain. Skilled in managerial aspects, teamwork, and leadership quality and possesses a keen interest in data analytics, operational and technical field. Knows how to take challenges positively and make full use of opportunities with the art of creatively handling stuff and shows zeal in learning about new subjects.

KOVID CHOUHAN

DFCCIL (Jun'22-Jul'22) | Indian Railways (Aug'21-Sept'21)

Kovid is an individual with a strong sense of drive and accountability, always seeking to improve. He has a keen interest in Data Analysis, Front-end Web Development, Photography, UX and Graphic Designing. He plays a crucial role as a coordinator of operations for the Media & Tech club and leads the Photography wing at his university. With a track record of successful leadership positions in both sports and other areas from his previous experiences, he has demonstrated his capability as a leader.

KASHISH CHANCHAL

RITES(Jun'22-Jul'22) | Indian Railways (Jul'21-Aug'21)

The initiator, team worker, and hard worker. The courses offered me as a Critical thinker and an intense learner and an innate problem solver with 2 years of internship experience as a Project intern in a Data analytics and consulting firm looking for a suitable role in business and for analyzing the data and taking out the key points from it. I do have knowledge related to transportation technology and data analytics. I have a keen interest and enthusiasm to learn new skills and apply them to my next position in the future. I am fluent in English and Hindi.

GATI SHAKTI VISHWAVIDYALAYA

KULDEEP RATHORE

Hapag Lloyd AG (Jun'22-Jul'22) | Indian Railways (Aug'21)

Kuldeep's tendency to see patterns and logic behind data makes him good at problem-solving, attention to detail, and the ability to work to strict deadlines. His internship at Hapag Lloyd AG provided him the insights into logistics, operations management, and sales. He has commendable knowledge of Excel, Business Statistics, and Data Analytics with fluency in Hindi and English languages.

LAKSHAY BHARDWAJ

APSEZ(Jun'22-Jul'22) | Indian Railways (Aug'21)

Lakshya is a highly ambitious, creative, natural leader who intends to utilize his skills to add value to the organization. He is experienced to handle leadership positions and is efficient in teamwork. He has garnered substantial skills in Excel, Supply Chain Management, and Python. He is aiming to use his core technical skills in data analysis and the Operation Research domain. His experience of interning with Adani Ports has provided him with insights into the Supply Chain and Logistics domain.

MOHD AMAAN

KEC International (Jul'22-Aug'22) | Cyber Rakshak (Sep'22) | Indian Railways (Aug'21) | Sarvam Foundation NGO

Efficient transportation undergrad with a solid knowledge in vehicle & roadway designs, traffic management, Electric & Hybrid Vehicles, operation research, ML, and Data Science; with an ability to handle complex projects relating to highway designs and traffic operations; possesses sharp programming skills in Python, C++, MATLAB, and R; ability to meet deadlines and work functionally with different groups.

NAVEEN KUMAR

RITES(Jun'22-Jul'22) | Indian Railways (Aug'21)

An enthusiastic and motivated person with strong thinking skills. Naveen has ample knowledge in creating reports, analysing data, and identifying solutions. He has interned under reputed organizations like RITES and Indian Railways. He believes in taking initiative and has a problem-solving perspective. He is seeking a role in which he can utilize his knowledge for the development of the organization and personal growth.

GATI SHAKTI VISHWAVIDYALAYA

NISHANT DEV

DMRC(Jul'22-Aug'22) | Indian Railways (Aug'21)

An energetic, compassionate student with good problem-solving skills. He is skilled in several computer languages and interested in software technologies. Looking for a suitable role in a business and transport technology firm. Experienced operating and managing different modes of the Last Mile Connectivity department of DMRC during the internship.

PARTH YADAV

DFCCIL(Jul'22-Aug'22) | Indian Railways (Aug'21)

A committed problem solver. Parth is skilled in data analysis and supply chain management. Looking for a suitable role in a business or transportation firm to use competent data analysis, statistics, and supply chain management skills to accomplish goals.

PAWAN KUMAR PRASAD

IRCTC (Oct'22) | AAI (Jul'22-Aug'22) | Star Health and Allied Insurance (Apr'22-May'22) | Indian Railways (Aug'21-Oct'21)

Pawan is a focused and disciplined transportation technology student with more than five internships under his belt at various esteemed companies. In the area of transportation management and operations, he has made contributions to many ongoing projects. Additionally, he has technical tool proficiency in MATLAB, Python, Minitab, RStudio, and other programs. He is eager to contribute to the logistics and supply chain sector.

PRABHAT RAVI PRAKASH

RDSO (Jun'22-Jul'22) | Indian Railways (Aug'21-Sep'21)

Prabhat is a diligent critical thinker having internship experience at the prestigious organization RDSO and Indian Railways (Guntur Division, SR). He is a team person who manages to bring others at the same stage, wishing to use technological and operational skills to help the organization face the extremities.

GATI SHAKTI VISHWAVIDYALAYA

PRASAD KEDARE

MMRC(Jul'22-Aug'22) | Indian Railways (Jul'21-Aug'21)

Prasad has honed his problem-solving abilities and practical application of theory-based education by participating in various projects and activities. He is also a strong team player with good soft skills. He's at ease with programming languages such as R and Python and Microsoft excel proficiency is required. He speaks English, Hindi and Marathi languages well and has mastered working well in groups and taking on leadership roles. He is confident, hardworking, and eager to take on new challenges and believes in taking the initiative to solve problems.

PRIYANSHU BOSE

RDSO(Jun'22-Aug'22) | Indian Railways (Jul'21-Aug'21)

Priyanshu Bose is an analytical thinker at the core. He excels in logical reasoning and cryptography. His hobbies are solving Rubik's cube and Sudoku. Also, he is an accomplished state-level chess player with an AICF rating of 1156. Proving his academic brilliance, he bagged a gold medal in class X exams with a perfect 100 score in mathematics.

PUSHPAK KUMAR BEHERA

CONCOR(Jul'22-Aug'22) | Indian Railways (Jul'21-Aug'21)

Pushpak is an adept and resilient person. He is a goal-oriented individual who is often engaged in creative tasks. He is skilled in data analytics using Excel and Python and is fluent in English, Hindi, and Odia along with excellent communication skills. Industry experiences from Indian Railways and CONCOR have prepared him to tackle practical problems. Through the knowledge and skills, he has acquired, he aims to build a competitive advantage for his team.

PUSPANSHU PRITI

RailTel (Jun'22-Aug'22) | Indian Railways (Jun'21-Jul'21) | College duniya (Apr'21)
