

Dear Students,

Hope you have made the preparations to join the University for the commencement of your B.Tech studies from 02/09/2024 with an Orientation/Induction program followed by the regular classes from 06/08/2024.

Vadodara is currently experiencing heavy rains, and we hope that situation will be normalized in the next couple of days. We have received a few queries on the session opening dates.

Considering the fact that the students and many of the parents have booked their tickets and planned their journey to reach Vadodara by 01/09/2024, we will continue with the Orientation program as scheduled.

SCHEDULE FOR FIRST YEAR B.TECH.

31 st August to 2 nd September 2024	Reporting to University/ Hostel Allocation
2 nd September 2024 at 11.00 am (Venue – Sabhagriha at GSV)	Document verification
3 - 5 September 2024	Orientation program
6 th September 2024	Commencement of Classes

However, in case some students are unable to reach on time due to delay/ cancellation of trains etc. because of the rainy situation, we will accommodate 2~3 days of delayed joining. If required, such students will be facilitated with online joining of the Orientation program. The water logging situation is improving fast in Vadodara with subsiding of the rain in the last two days and we hope it to be normal in the coming days.

Further, the hostel room allocation will be done on the same day when you reach Vadodara. The Hostel location and the officials' details (who will be available to assist you with the hostel accommodation) are provided hereunder:
